TO WHOM IT MAY CONCERN

This Certificate of Final Completion is hereby issued on this 22nd day of October, 2025, to formally acknowledge that **HAWL Technologies PLC** has successfully fulfilled all contractual obligations pertaining to the Three-Floor 64 channel, CCTV camera Supply and Installation Project located at Ras Hotel, Addis Ababa, Ethiopia.

In accordance with the terms and conditions outlined in the contract agreement, the Contractor has completed the full scope of work, which includes:

- Procurement and supply of CCTV equipment and accessories
- Professional installation across all designated floors
- System commissioning and operational testing
- Comprehensive training of hotel staff for system operation and maintenance

All deliverables have been executed to the satisfaction of the client, and the project has met the required standards of quality, functionality, and compliance.

This Certificate serves as formal confirmation that the project is complete in its entirety, and all contractual terms, technical specifications, and performance benchmarks have been successfully met.

Sincerely Yours,

ማስረሻ ገብረማርያም
