To Whom It May Concern

Subject: Testimonial for Hawl Technologies PLC

We are pleased to provide this letter of reference for **Hawl Technologies PLC**.

We engaged them for a technology upgrade project at our showroom. They handled the project from start to finish in a professional manner. The scope of work focused on the installation of three key systems:

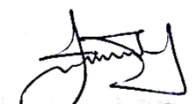

1. A large-format, high-resolution **Outdoor Full-Color LED Display** (12 sqm), which has become a centerpiece of our exterior branding.
2. A comprehensive **CCTV and Smart Classroom Solution**, featuring a sophisticated setup of 7 different Hikvision camera models to ensure complete security and demonstration capabilities.
3. A modern **Conference Room** with a fully integrated 4K audio-visual and video conferencing system.

The project was completed on time and to the highest standards. The systems have proven to be extremely reliable, and their technical support has been excellent.

We are very pleased with the outcome and are happy to recommend Hawl Technologies PLC for any similar projects. They are a capable and dependable technology partner.

For any further verification, please feel free to contact us.

Sincerely,

ዕብላን ክድር
